(ii) For sole source and competitive SDVO SBC procurements that do not exceed the dollar levels identified in paragraphs (b)(1)(i)(A) and (B) of this section, an SDVO SBC entering into a joint venture agreement with another concern is considered to be affiliated for size purposes with the other concern with respect to performance of the SDVO contract. The combined annual receipts or employees of the concerns entering into the joint venture must meet the size standard for the NAICS code assigned to the SDVO contract.

§ 125.16 Does SDVO SBC status guarantee receipt of a contract?

No, SDVO SBCs should market their capabilities to appropriate procuring agencies in order to increase their prospects of having a procurement set-aside for SDVO contract award.

§ 125.17 Who decides if a contract opportunity for SDVO competition exists?

The contracting officer for the contracting activity decides if a contract opportunity for SDVO competition exists.

§ 125.18 What requirements are not available for SDVO contracts?

A contracting activity may not make a requirement available for a SDVO contract if:

(a) The contracting activity otherwise would fulfill that requirement through award to Federal Prison Industries, Inc. under 18 U.S.C. 4124 or 4125, or to Javits-Wagner-O'Day Act participating non-profit agencies for the blind and severely disabled, under 41 U.S.C. 46 *et seq.*, as amended; or

(b) An 8(a) participant currently is performing that requirement or SBA has accepted that requirement for performance under the authority of the section 8(a) program, unless SBA has consented to release of the requirement from the section 8(a) program.

§ 125.19 When may a contracting officer set-aside a procurement for SDVO SBCs?

(a) The contracting officer first must review a requirement to determine whether it is excluded from SDVO contracting pursuant to §125.18.

§ 125.20

(b) If the contracting officer determines that § 125.18 does not apply, the contracting officer should consider setting aside the requirement for 8(a), HUBZone, or SDVO SBC participation before considering setting aside the requirement as a small business set-aside.

(c) If the CO decides to set-aside the requirement for competition restricted to SDVO SBCs, the CO must:

- (1) Have a reasonable expectation that at least two responsible SDVO SBCs will submit offers; and
- (2) Determine that award can be made at fair market price.

§ 125.20 When may a contracting officer award sole source contracts to SDVO SBCs?

A contracting officer may award a sole source contract to an SDVO SBC only when the contracting officer determines that:

- (a) None of the provisions of §§ 125.18 or 125.19 apply;
- (b) The anticipated award price of the contract, including options, will not exceed:
 - (1) \$5,000,000 for a requirement within the NAICS codes for manufacturing, or
 - (2) \$3,000,000 for a requirement within all other NAICS codes;
- (c) A SDVO SBC is a responsible contractor able to perform the contract; and
- (d) Contract award can be made at a fair and reasonable price.

§ 125.21 Are there SDVO contracting opportunities at or below the simplified acquisition threshold?

Yes, if the requirement is at or below the simplified acquisition threshold, the contracting officer may set-aside the requirement for consideration among SDVO SBCs using simplified acquisition procedures or may award a sole source contract to an SDVO SBC.

§ 125.22 May SBA appeal a contracting officer's decision not to reserve a procurement for award as an SDVO contract?

The Administrator may appeal a contracting officer's decision not to make a particular requirement available for award as an SDVO sole source or a SDVO set-aside contract at or above the simplified acquisition threshold.

13 CFR Ch. I (1-1-07 Edition)

§ 125.23 What is the process for such an appeal?

(a) *Notice of appeal.* When the contracting officer rejects a recommendation by SBA's Procurement Center Representative to make a requirement available for award as an SDVO contract, he or she must notify the Procurement Center Representative as soon as practicable. If the Administrator intends to appeal the decision, SBA must notify the contracting officer no later than five business days after receiving notice of the contracting officer's decision.

(b) *Suspension of action.* Upon receipt of notice of SBA's intent to appeal, the contracting officer must suspend further action regarding the procurement until the Secretary of the department or head of the agency issues a written decision on the appeal, unless the Secretary of the department or head of the agency makes a written determination that urgent and compelling circumstances which significantly affect the interests of the United States compel award of the contract.

(c) *Deadline for appeal.* Within 15 business days of SBA's notification to the CO, SBA must file its formal appeal with the Secretary of the department or head of the agency, or the appeal will be deemed withdrawn.

(d) *Decision.* The Secretary of the department or head of the agency must specify in writing the reasons for a denial of an appeal brought under this section.
